PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

ORDER NO. L. S. 5179-214—PLNG. 40-54-3, BANGALORE, DATED 4TH OCTOBER 1954.

I. The Planning Commission have suggested the setting up of suitable machinery for the implementation of the Five-Year Plan of the State and have also urged that Public Co-operation and local efforts of the people of the regions concerned should be secured in as large a measure as possible for the implementation of the schemes under the Plan. The Economic Conference which existed formerly was a very large body. Government consider that it is desirable to have a smaller body to review the working of the Five-Year Plan, and to assist Government in the preparation of the Second Five-Year Plan. In order to achieve this object an Advisory Board for Planning and Development is constituted in the State with the following personnel:—

1. The Chief Minister. (*Chairman.*)
2. The Minister for Law and Education.
